for Service TSP Representatives

**Subject:** Notice, "Important Tax Information About Payments From Your TSP Account" (Revised)

**Date:** July 12, 2005

The Federal Retirement Thrift Investment Board has revised the notice "[Important Tax Information About Payments From Your TSP Account](#)." The notice outlines, in a comprehensive chart, the Federal income tax consequences of TSP disbursements and the Federal income tax withholding rules. It also includes a section on taxable distributions of TSP loans due to separations from the uniformed services. The revision is dated 3/2005.

This notice supersedes the previous tax notice, "Important Tax Information About Payments From Your TSP Account," dated August 2002. In addition, this notice also replaces the tax notice for in-service withdrawal payments, "Important Tax Information About TSP In-Service Withdrawal Payments," dated July 2004.

**Service responsibilities.** Services should provide the tax notice to their participants upon request. The tax notice is available from the TSP Web site at [www.tsp.gov](http://www.tsp.gov). (See Publications\Tax Notices.) Authorized service representatives may also use the TSP's on-line ordering system, PRO-MAIL®, to obtain a supply of these notices for their service members.

Services may continue to use their current stock of the tax notice and the in-service withdrawal notice until the stock is depleted.
